

# FBJ 78214C/788551 tapered roller bearings

LET OUR FBJ 78214C/788551 tapered roller bearings EXPERTS GET YOU THE PARTS YOU 3.0000 in d NEED.

|                              |                                  |
|------------------------------|----------------------------------|
| d                            | 3.0000 in                        |
| static load capacity:        | 58100 lbs                        |
| D                            | 4.5000 in                        |
| maximum rpm:                 | 1400 rpm                         |
| B                            | 1.3750 in                        |
| fillet radius:               | 0.09375 in                       |
| needle bearing type:         | Machined Bearing with Inner Ring |
| flanges:                     | No Flange                        |
| closure type:                | Double Shielded                  |
| series:                      | RS – Multi-Rol                   |
| number of rows:              | 1                                |
| lubrication hole type:       | Lubrication Groove & Hole        |
| bearing material:            | Chrome Steel                     |
| precision rating:            | Not Rated                        |
| operating temperature range: | -20F to 250 °F                   |
| standards met:               | ABMA, ISO                        |
| cage material:               | Steel                            |
| manufacturer catalog number: | 7942002400                       |
| dynamic load capacity:       | 14500 lbs                        |
