

# ISO NJ29/1180 cylindrical roller bearings

What is ISO NJ29/1180 cylindrical roller bearings in mechanical engineering? 170 mm Shaft Size Manufacturing Service . Upload your CAD file for Split Cylindrical Retained Type Bearing Type an instant.

|                              |  |
|------------------------------|--|
| Shaft Size                   | 170 mm                                   |
| Seal Type                    | High Temperature Packing                 |
| Bearing Type                 | Split Cylindrical Retained Type          |
| Support Type                 | Four-Bolt Plummer Block                  |
| Series Type                  | Heavy Series                             |
| Pillow/Plummer Block Style   | Split Cylindrical Housed Unit – Standard |
| Bolt Size                    | 4 x M30                                  |
| Shipping Weight              | 994 lb                                   |
| Bearing – Housing – Seal     | HSM170BRHHTPS                            |
| Bearing – Housing – Seal UPC | 013992078728                             |
| Bearing UPC                  | 013992023933                             |
| Dimension H                  | 10.512 in                                |
| Dimension H1                 | 2.4 in                                   |
| Dimension H2                 | 22.4 in                                  |
| Dimension J                  | 24.7 in                                  |
| Dimension K                  | 5.5 in                                   |
| Dimension L                  | 29.0 in                                  |
| Dimension M                  | 9.0 in                                   |
| Housing Width                | 9.6 in                                   |
| Cr – Dynamic Load Rating     | 268871 lbf                               |

|                          |   |
|--------------------------|---|
| Cor – Static Load Rating | 354299 lbf  |
| Ca – Axial Load Rating   | 17805 lbf   |
| Maximum Speed            | 1110 rpm  |
| Note                     | This product line was formerly known as “Revolvo” |
