KOYO 417/414 tapered roller bearings Engineering Calculator , Manufacturing Service 3/16 in d . Get Your Sintered Bronze Oil-Impregnated bearing material: Free.

d	3/16 in
bearing material:	Sintered Bronze Oil-Impregnated
D	7/16 in
material specification:	CT-1000-K26, SAE841
overall length:	3/16 in
standards met:	RoHS, REACH, DRC Conflice Free
harmonization code:	848330
sleeve bearing type:	Flanged Bearing
iso grade:	9001:2008 & 14001:2004
flange width:	1/16 in
series:	SF
