

# NACHI 67TAD20 thrust ball bearings

NACHI 67TAD20 thrust ball bearings 2.2500 in d 11791 lb radial dynamic load capacity: SEARCH – Whether it's agriculture or construction equipment your working on, Has the you 6.0000 in D need.

|                               |                                              |
|-------------------------------|----------------------------------------------|
| d                             | 2.2500 in                                    |
| radial dynamic load capacity: | 11791 lb                                     |
| D                             | 6.0000 in                                    |
| radial static load capacity:  | 8100 lb                                      |
| bolt circle diameter:         | 6.0000 in                                    |
| seal type:                    | Contact with Flinger                         |
| B                             | 7.1300 in                                    |
| length through bore:          | 2.6 in                                       |
| bore type:                    | Round                                        |
| finish/coating:               | Uncoated                                     |
| duty type:                    | Medium Duty                                  |
| maximum rpm:                  | 3500 RPM                                     |
| mounting type:                | Four-Bolt Piloted                            |
| lubrication type:             | Lubrication Fitting                          |
| housing material:             | Cast Iron                                    |
| series:                       | 212                                          |
| locking device:               | Concentric Collar                            |
| standards met:                | UL, AFBMA, AGMA, ASMMA, BSA, CMA, MPTA, PTDA |
| expansion type:               | Non-Expansion Bearing (Fixed)                |
| manufacturer catalog number:  | 128864                                       |
