|------------------------------|---------------------------------|
| Days to Ship                 | 10 Days                         |
| RoHS                         | 6                               |
| Bearing I.D. d(mm)           | 15                              |
| Bearing Material             | [Steel] Steel                   |
| Housing Material             | [Aluminum Alloy] Aluminum Alloy |
| Holder Surface Treatment     | Clear Anodize                   |
| Height H(mm)                 | 30 □ 50                         |
| Bearing Part Number          | 6002                            |
| Seals                        | VV (Non-Contact Rubber Seal)    |
| Lateral Width L(mm)          | 50                              |
| Thickness, Height Indication | T, h Configurable               |
| T(mm)                        | 26 □ 60                         |
| Shape                        | Bottom Mount                    |
| Bearing Used                 | Deep Groove Ball Bearings       |
| Bearing Retained             | No                              |
| Number of Bearings           | Double                          |
| Type                         | Bearings with Housings          |
