

# NKE 23024-K-MB-W33+AHX3024 spherical roller bearings

We 3.0000 in roller width: Provide Extensive NKE 23024-K-MB-W33+AHX3024 spherical roller bearings Selection And Competitive Wholesale 5.0000 in roller diameter: Pricing.

|                               |                            |
|-------------------------------|----------------------------|
| roller diameter:              | 5.0000 in                  |
| roller shape:                 | Single Flanged             |
| roller width:                 | 3.0000 in                  |
| closure type:                 | Double Seal                |
| D                             | 5.9375 in                  |
| maximum rpm:                  | 575 rpm                    |
| flange thickness:             | 0.7188 in                  |
| radial dynamic load capacity: | 35800 lbs                  |
| stud diameter:                | 2.0000 in                  |
| radial static load capacity:  | 40000 lbs                  |
| thread size:                  | 2-12                       |
| lubrication hole location:    | None                       |
| stud length:                  | 4.5000 in                  |
| finish/coating:               | Black Oxide                |
| roller material:              | Chrome Steel               |
| series:                       | TRAKROL Track Roller (FCF) |
| bearing element:              | Tapered Rollers            |
| manufacturer catalog number:  | 2504600000                 |
