

# NSK 7310BEA angular contact ball bearings

NSK 7310BEA angular contact ball bearings manufacturer and 6 RoHS global supplier of reliable ball and roller ... NSK 7310BEA angular contact ball bearings Industries Products Manufacturing & Engineering and Agricultural Bearings designed to meet 8 Days Days to Ship the unique requirements of our targeted industries.

|                          |                              |
|--------------------------|------------------------------|
| Days to Ship             | 8 Days                       |
| RoHS                     | 6                            |
| Bearing I.D. d(mm)       | 20                           |
| Bearing Material         | [Steel] Steel                |
| Housing Material         | 1045 Carbon Steel            |
| Mount Type               | Base Face Type               |
| Holder Surface Treatment | Electroless Nickel Plating   |
| Height H(mm)             | 40 □ 60                      |
| Bearing Part Number      | 6004                         |
| Seals                    | VV (Non-Contact Rubber Seal) |
| Lateral Width L(mm)      | 82                           |
| Height Indication        | Height Selection             |
| T(mm)                    | 40 □ 50                      |
| Shape                    | T-Shaped                     |
| Bearing Used             | Deep Groove Ball Bearings    |
| Bearing Retained         | No                           |
| Number of Bearings       | Double                       |
| Type                     | Bearings with Housings       |
