|---------------------------------|----------------------------|
| Days to Ship                    | 7 Days                     |
| RoHS                            | 6                          |
| Bearing Style                   | Single Shielded            |
| Outer Ring Shape                | Flat                       |
| d                               | 35                         |
| D                               | 47                         |
| Width(mm)                       | 7                          |
| Basic Dynamic Load Rating Cr(N) | 4750                       |
| Basic Static Load Rating Cor(N) | 3800                       |
| Shield Shape                    | Single Shielded            |
| Shield Material                 | 304 Stainless Steel        |
| Type                            | Ball                       |
| Inner/Outer Ring Material       | 440C Stainless Steel       |
| Precision                       | Grade 0                    |
| Features                        | Heat resistant / Anti-rust |
| Load Direction                  | Radial Load                |
| Number of Raceway Ring Rows     | Single Row                 |
| Size Standards                  | Metric System              |
| The material of a ball          | 440C Stainless Steel       |
| Holder Material                 | 304 Stainless Steel        |
