NTN 60/630 deep groove ball bearings Engineering Calculator , Manufacturing Service . 3-7/16 in d 7 in frame base width: Get Your Free.

d	3-7/16 in
frame base width:	7 in
travel:	24 in
sleeve bearing material:	Babbitt
frame overall length:	46-1/4 in
housing material:	Cast Iron
frame overall height:	9-11/16 in
bolt center-to-center width:	2 in
frame type:	Hinged Top
D	44 in
bearing type:	Sleeve Bearing
height to center line:	4-1/2 in
frame material:	Steel
series:	DSB2800
