

# NTN MR122012 needle roller bearings

Browse NTN MR122012 needle roller bearings Categories in the Manufacturers Online Free. 20 mm d including . 28 mm D

|                              |   |
|------------------------------|---|
| d                            | 20 mm                                     |
| static load capacity:        | 8320 lbf                                  |
| D                            | 28 mm                                     |
| maximum rpm:                 | 23000 RPM                                 |
| B                            | 25 mm                                     |
| flanges:                     | No Flange                                 |
| needle bearing type:         | Roller & Cage Assembly                    |
| series:                      | K   |
| closure type:                | Open                                      |
| lubrication hole type:       | No Hole                                   |
| operating temperature range: | Maximum of +250 °F                        |
| precision rating:            | Not Rated                                 |
| cage material:               | Steel                                     |
| standards met:               | ANSI/ABMA 18.1, DIN 5405 Part 1, ISO 3030 |
| dynamic load capacity:       | 6680 lbf                                  |
