

# SIJ8 LS C1 9 mm Plain bearings

|                               |           |
|-------------------------------|-----------|
| Bearing number                | SIJ8      |
| Brand                         | LS        |
| Bore Diameter (mm)            | 8         |
| d                             | 8 mm      |
| B                             | 12 mm     |
| d2                            | 22 mm     |
| d3                            | 12.5 mm   |
| d4                            | 16 mm     |
| dk                            | 15.875 mm |
| h1                            | 36 mm     |
| l3 min.                       | 16 mm     |
| l4 max.                       | 47 mm     |
| l5                            | 5 mm      |
| r min.                        | 0.3 mm    |
| C1                            | 9 mm      |
| W                             | 14 mm     |
| Thread (G)                    | M8        |
| Angle                         | 14 °      |
| Weight                        | 0.037 Kg  |
| Basic dynamic load rating (C) | 5.3 kN    |
