

SKF 7019 ACE/P4A angular contact ball bearings

100% Authentic. Two-Bolt Flange flange mounting type: SKF 7019 ACE/P4A angular contact ball bearings Highest Quality. Certified Solid Housing housing construction: Supplier. Stainless Steel housing material:

flange mounting type:	Two-Bolt Flange
housing material:	Stainless Steel
housing construction:	Solid Housing
finish/coating:	Uncoated
compatible bore diameter:	3/4 in, 20 mm
overall depth:	39.1 mm
D	90 mm
series:	204
B	111.3 mm
standards met:	UL, AFBMA, AGMA, ASMMA, BSA, CMA, MPTA, PTDA
compatible bearing type:	Ball Bearing
