

# SNR 7012HVUJ74 angular contact ball bearings

What are the types of SNR 7012HVUJ74 angular contact ball bearings ? Manufacturing 250 O.D.(Ø) Service . Get Your Free, Instant price, Quote Days to Ship design review.

|                                      |                    |
|--------------------------------------|--------------------|
| Days to Ship                         | Quote              |
| I.D.(Ø)                              | 150                |
| O.D.(Ø)                              | 250                |
| Width(mm)                            | 60                 |
| Number of Raceway Ring Rows          | Single Row         |
| Size Standards                       | Metric System      |
| Outer Ring Type                      | Flat               |
| Retainer Type                        | Punching           |
| Basic Load Rating, Dynamic Rating(N) | 870000             |
| Clearance sign                       | No                 |
| Accuracy(Class)                      | No                 |
| Bearing Ring Type                    | No                 |
| Acoustic Symbol                      | E                  |
| Holder Symbol                        | No                 |
| Symbol of Bearing Ring Shape         | No                 |
| Seal, Shield Symbols                 | No                 |
| Precision Grade Symbol               | No                 |
| Symbol of contact angle              | No                 |
| Special Configurations Code          | No                 |
| Symbols of Lubrication Amount        | No                 |
| Internal Symbol                      | No                 |
| Raceway Ring Shape                   | Cylindrical Roller |
